Change to outpatient pharmacy service provider

The outsourced outpatient pharmacy service, in place since 2012, has been re-tendered and awarded to Rowland's Pharmacy with effect Monday 4 November 2019. The CUH pharmacy team are working with both the current supplier, Lloyds Pharmacy, and the new supplier, Rowland's Pharmacy, to achieve a smooth transition of services.

Oncology Clinic Refurbishment Update

The Macmillan pod will be dismantled on **Wednesday 20th November** and reopen on **Monday 1st December**.

For MCISS volunteers the plan will remain the same as it was originally with providing support in directing/guiding patients and helping to check them in. There is a possibility that the self-service check-in desks will not be operational in time but John has said if as before, if you would rather not work your usual shift during this period this is absolutely fine, just let him know - send all replies to the Navigator inbox as well as to John as he does not always have access to his own account.

Date	Location	Works being carried out
On-going	All areas	Fire Alarm Upgrade
02 Nov	Road users Robinson Way/ Dame Mary Archer Way	Upgrading
07 Nov	Biochemistry, Emergency Department	Air Tube Replacement
08 Nov	Rosie Hospital	Hot Water Shutdown
11 Nov	Outside Duxford House	Footpath Refurbishment

Dates for your diary

Volunteer Forum	Tues 19 Nov	16:00-17:00
Infection Control Training	Fri 22 Nov	10:30-11:30
Mill Road, Winter Fair	Sat 7 Dec	10:00-16:00

Please let us know if you'd like to attend or if you need more information by emailing volunteer@addenbrookes.nhs.uk

Once again we will be at the Mill Road Winter Fair on Saturday 7th Dec 2019 in Cambridge and would really love your support. It's great fun whatever the weather, so please let us know if you'd like to join us for a couple of hours between 10 am to 4pm.

Thank you!

Key messages

- **Clean your hands** when entering or leaving a ward or clinic clean your hands before and after every patient contact
- **Keep working areas clean**, tidy and clutter-free at all times
- **Be seen to be clean** - let patients and visitors see you clean your hands
- **Report empty gel dispensers** to the appropriate ward or department.
- **Know infection control policies and procedures**

INFECTION CONTROL

Volunteers are invited to attend the infection control training session on:

Friday 22nd November 2019

10-30 -11.30 am N3 Seminar Room

Learn everything you need to know about best practice in order to protect yourself and everyone in the hospital.

You can join in with the CUH [#jabathon](#) by sharing your 'Doctor Flu' selfies on Facebook, Twitter or Instagram!
Just tag [@CUH_NHS](#) and [#DoctorFlu](#) and tell us why you had the vaccine.
